CENTER PLACE RESTORATION SCHOOL

HOME OF THE GOLDEN EAGLES

- Center Place Restoration School was founded in 1991 by the efforts of Restoration Branches across the country.
- The goal of our school is to provide quality education, along with teaching the gospel according to the Holy Scriptures, Book of Mormon, and Doctrine & Covenants.
- We believe that as the staff and school maintain these goals, the Lord will provide the growth and the means as He sees fit.

## CENTER PLACE RESTORATION SCHOOL

### HOME OF THE GOLDEN EAGLES

- We consider children to be a gift and blessing from God and the future of the Restoration movement. It is our desire to be responsive to the needs of parents by assisting them in the educational process
- We are presently attempting to serve those needs in the following ways:
  - Education that will instill a desire for godly character and equip students with skills necessary to excel in society.
  - Provide for children an alternative to the coarse and often threatening peer relationships in other environments.
  - Teach children about God's love for them, man's need for redemption, and the wonderful promise of hope in Christ's gospel.
  - Lead children to a personal relationship with Jesus Christ, a daily reliance on the Holy Spirit through prayer and a love of God's word. Christ's church is founded on the principle that God continues to reveal His will to man. Therefore it is important that each child learn a sensitivity to the Spirit and learn to ask God in faith when they lack wisdom.
  - Teach effective witnessing skills. Effective witnessing begins with learning to love all people. It also involves the student's ability to build on commonalities and share their testimony with an unbelieving world in a loving, intelligent and convincing manner
  - Instill a servant's heart by encouraging students to initiate avenues of service to others. Stewardship involves measuring our lives by the contribution we can make and not by the remuneration we will receive (Romans 12:1-2 and Alma 12:33-37).

- BUILDING A FINANCIAL FOUNDATION FOR THE CENTERPLACE RESTORATION SCHOOL.
- MISSION STATEMENT
  - The Educational Foundation Purpose is:
  - To create a perpetual source of income through corporate and private donations that are separate from the operating funds of Center Place Restoration School. The principal of these funds will be invested conservatively to help keep the school financially sound for generations to come, assisting the school in the fulfillment of its mission.

## About Us

Restoration Camping Inc. (RCI) is a non-for-profit organization dedicated to bringing youth into a personal relationship with their Lord and Savior, Jesus Christ.

RCI began with a series of Senior High Retreats in 1988. During the summer of 1989 the first week long camps were held: 1 junior and 1 senior high. Some of our earliest campers have gone through every camp and now serve on the board.

How can you help in the very exciting job of leading our youth to the Lord?

[Contact Us](#) and we'll put your name on a list of willing servants that directors refer to when they're trying to put a camp together.

The Lord willing, RCI will continue this ministry for years to come. We'll see you at camp!

- **MISSION STATEMENT**

- *To promote The Book of Mormon and its purpose, "which is to show unto the remnant of the house of Israel how great things the Lord hath done for their fathers, And that they may know the covenants of the Lord, that they are not cast off forever.*
- *"And also to the convincing of the Jew and Gentile that Jesus is the Christ, the Eternal God, manifesting Himself unto all nations."*

- **A Special Promise**

- *We live in the day in which the great promises concerning the Book of Mormon are being fulfilled.*
- *We ask you to join with us so that together we can fulfill the grand and glorious challenge of our Lord for Book of Mormon believers today*

## **Zarahemla Research Foundation**

- **WHO WE ARE**

- Zarahemla Research Foundation is a non-profit, tax-deductible organization dedicated to Book of Mormon research. The foundation is not associated with any specific religious organization. Membership is open to anyone interested in Book of Mormon research.

- **OUR PURPOSE**

- Our purpose is to prepare believers for the Book of Mormon Breakthrough—the time when the Lord will take the Book of Mormon to the world in great spiritual power. We know that the Lord is growing the Bible and the Book of Mormon together in order to confound false doctrines, settle contentions, establish peace, and restore the covenants to the remnant of the house of Israel (2 Nephi 2:20-23).
- The potential of the Book of Mormon is equal to the Bible, but there has been so little done with the Book of Mormon in comparison to the Bible that a giant vacuum exists. The Lord is in the process of filling that vacuum, and we are all called to be a part of that work. At Zarahemla, we are involved in researching all facets of the Book of Mormon and making that information available.

## **Zarahemla Research Foundation**

- **The Book of Mormon Restored Covenant Edition**
  - 1056 pages, 6 x 9--includes a 10 page introduction, 140 page concordance, 2 page introduction to geography, 17 page geography concordance, plus a summary of the story line and the records. The Book of Mormon text is 850 pages and has been restored back to the Original and Printer's Manuscripts.
- **First Nephi Study Book of Mormon**
  - 83 pages, 8.5 X 11--A precursor to the Restored Covenant Edition dealing only with the first book in the Book of Mormon. Contains our study notes on each page which deal mainly with the Hebrew nature of the book.
- **Recent Book of Mormon Developments, vol 2**
  - 240 pages, 8.5 X 11--has sections on the Hebrew nature of the Book of Mormon, Manuscripts and Editions, Archaeology, Geography, Testimonies and Insights.
- **Overview of the Book of Mormon**
  - 16 pages, 8.5 X 11--full color original artwork gives the purpose of the Book of Mormon, a summary of each book in the Book of Mormon, and a summary of the geography and the records. This is an excellent missionary and teaching tool and has been very popular.
- **Survey of the Covenants and Principles of the Book of Mormon**
  - 8 audio tapes with 30 page booklet, 8.5 X 11--Material was recorded from classes on the Covenants and Principles of the Book of Mormon. The booklet contains information from the overhead transparencies used in the class.
- **A Comparision of the Book of Mormon Manuscripts and Editions**
  - 280 pages, 8.5 X 11--book compares the Original and the Printer's manuscripts with eleven editions from four different Churches. This is the first time this information has been available in this form. This fourteen year study provides the basis for the restored words in the Restored Covenant Edition.

We believe it is our purpose and our calling to:

Focus on Evangelism in Africa, so the Lord's dispersed sheep and lambs may be brought into the sheepfold of Jesus Christ.

Respond, as much as time and resources permit, to the requests for ministry, all across the continent, as the Lord opens the door for His Restoration Gospel to advance, and for branches of His church to be established.

To develop priesthood, called "as was Aaron" and ordained to serve as shepherds over their flocks. These pastoral leaders shall strengthen existing congregations and facilitate new growth and outreach through their ministry.

To address the spiritual and physical needs of the African peoples through the teaching and application of Zionic principles, and sharing our surplus.

CHURCH OF JESUS CHRIST  
RESTORATION BRANCHES

- NMSG PURPOSE:
- The purpose of the Navajo Ministry Support Group (NMSG) is to provide organization and appropriate financial support for ministries and missionary work to the Navajo Native American people, mainly, but not limited to the area near Pinon, Arizona
- The purpose of the NMSG is to proclaim the fullness of the Gospel of Jesus Christ unto the Navajo people as directed by the Holy Ghost and as found in the Inspired Version of the Bible, The Book of Mormon and the Doctrine and Covenants.
- The purpose of the NMSG is to better understand the Navajo people, their history, legends, customs and traditions by studying the reliable, available resources and visiting with them for this intent.
- The purpose of the NMSG is to recruit, train and prepare priesthood of the Restoration churches for ministry among the Navajo people.

# NMSG

The Navajo Ministry Support Group continues to strengthen our missionary efforts to the Navajo people on the Reservation.

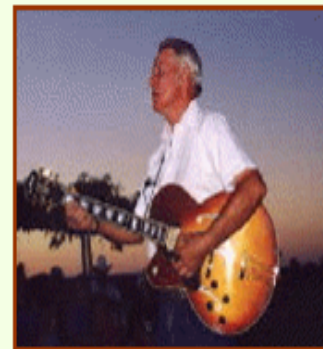

We now have a stand-alone website (<http://navajoministry.org>) and encourage you to visit and learn more about our efforts and us. With the implementation of the new website we are refocusing our Internet outreach to be more to the Native peoples.

We have several trips planned to the Pinon, AZ. area each year with our major outreach being scheduled for July. There are a few groups meeting and worshipping in and near Pinon, but they are in need of consistent ministry.

As we consider expanding into other areas of the Reservation, we realize the workers and resources are limited. We are in need of contributions as well as people willing and interested in spreading the true gospel of Christ. We realize this is a need among most missionary groups. If you have a desire to reach out to others with the hope of Jesus Christ, consider a trip to the Navajo Reservation with us. We invite and even challenge you to visit and take the Gospel to a "foreign" land within the confines of the United States. If you desire more information or ministry please contact us through the website or me directly at 816-650-6825.

<http://home.earthlink.net/~familyoutreach/about.htm>

# Family Outreach

- The primary mission is to serve as a mission board to assist missionaries and their families.
  - The board provides a means of accountability and support for families who desire to commit to full-time ministry in foreign countries for extended periods of time. As needs arise, the board may engage in other religious activities, such as publishing religious literature or providing assistance to the poor and needy.
- Family Outreach currently supports the Charles Sperry family, who have been serving in the mission field in Honduras since 1994.
- Why Family Missions? / Why does Family Outreach support sending families full-time into the mission field?
- We believe that all missionary endeavors which are led by the Spirit of Christ may be profitable to building up the work of the Lord.
  - However, often when missionaries come to a foreign country for only a few weeks at a time, they fail to fully appreciate the unique needs and complexities of the local population.
  - Such missions often dwindle in the long-term, because new converts do not receive regular ministry, and indigenous priesthood lack training in the ordinances and doctrines of the gospel.
  - Another weakness that comes with occasional in-country visits is the novelty factor. Locals may come out of the woodwork when a visiting missionary is around, but afterward most disappear and do not support the local congregation.
  - Others may come looking for a handout from the perceived "rich Americans". By living in the country for an extended period and becoming part of the local culture, missionaries are better prepared to minister, understand the culture, strengthen the faith of new converts, and discern those who are only coming out of self-interest or novelty.

# Conference of Restoration Elders

- **The Conference of Restoration Elders exists to-**
  - 1. Organize the coming together of Melchisedec Priesthood, as well as the Aaronic Priesthood and members for:
    - Spiritual preparation and to unify our efforts on behalf of the work to which we are called.
    - Much needed fellowship and fraternity to prepare us to defend and preserve the faith.
    - Identify and seek divine guidance concerning the critical issues now confronting the church.
    - Chart a course of action that will maintain the gospel as restored in 1830.
  - 2. Support Restoration Branches in their efforts to work together.
  - 3. Provide needed resources to Branches and members as they are requested.
  - 4. Offer ongoing support and resources to Restoration priesthood.
  - 5. Offer support to the elders to take the gospel message to the world.
- The Conference is not the Church, but a gathering of the Melchisedec priesthood to share in testimony, prayer, worship, study, and to confer together. The elders gather that they might be strengthened, and better equipped and prepared to share the gospel and offer ministry to their brothers and sisters in Christ.
- Additionally, the Conference provides a forum for Aaronic priesthood and member alike to share in fellowship and to be nurtured in the Word. The Conference offers support to the scattered saints and isolated Branches wherever, however, and whenever it can.
